Peter Fairweather explained that this Task Force will first focus on administrative clean-up of the existing codes.

Mr. Fairweather suggested that the PZC start by carefully reviewing the Town of Rochester goals as currently exist, and how the update should progress.

The goals were reviewed and it was agreed that it is important to integrate the work of the ECC into the updating process.

It was agreed that the PZC will attempt to meet with such groups as farmers, owners of businesses, large landowners, and second home owners.

At the next meeting on 2/22/06, goals on the Fairweather's Compilation of Existing Planning Goals will be reviewed.
