

THIRD THURSDAY NATURE SERIES

THE TOWN OF ROCHESTER ENVIRONMENTAL CONSERVATION COMMISSION presents a monthly series of speakers relating to nature, our local environment, recreation, agriculture, and beyond. Come to get informed, participate in inquisitive discussion, connect with your neighbors and the wide world of experiences waiting in your own backyard.

JAN 16

WINTER BIRDS

Scott Baldinger, NY Audubon Society + Mark Diedrich, Pastor and Photographer

Bird Watching in the Rondout Valley

Learn about the habits and behaviors of the birds you will see in your back yards and hiking trails this winter. Scott Baldinger, leader of the weekly Tuesday Early Birders Walk at Minnewaska State Park and Mark Diedrich, leader of nature hikes at Honors Haven will give a crash course in identifying common and rare bird species.

Great for novice and enthusiastic bird watchers alike!

FEB 20

RAIN GARDENS, PONDS + REFORESTING

Andrew Faust - Center for Bioregional Living

Turning Water Problems into Solutions

Learn how to work with nature to increase biodiversity, improve water quality, address flooding, and much more!

WHERE:

Rochester Town Hall
50 Scenic Rd
Accord, NY

WHEN:

Every 3rd Thursday at 6:30 PM

COST: Free

For more information contact ecc@townofrochester.ny.gov.
