Mike, as you know I met Jeremy today, along with Martha T.... Based on our discussions and review of procedures, I would like to be considered for reappointment to a new term of office, if the Town Board feels that is useful. Thanks Marge

We have. He started Monday 9/13  
Jeremy Baracca is his name  
He is a Town of Rochester resident who was previously the Assistant assessor for the City of Newburgh. He also works as an appraiser.  
The 3 Towns hired him as we previously did with Mike Dunham.
